## H. Student medical details and health conditions

It is essential you inform the school before your child is enrolled if he or she has any medical conditions. This must include any known allergies. You should also contact the school as soon as you are aware of any newly diagnosed allergies, other medical conditions or changes to an existing condition. This will assist the school to support the safety and wellbeing of your child and allow planning to occur to determine the best way to meet the individual health and support needs of your child. This is important information for your child's safe participation at the school.

**Note:** Where the words 'your child' are used, they should be taken as a reference to the student seeking enrolment.

## I. Student's history relevant to risk assessment

The NSW Department of Education has a responsibility to assess and manage any risk of harm to its staff and students. This application gives you the opportunity to provide schools with information that will help facilitate the smooth transition of the student into this specific school setting. This may include preparing a behaviour management plan or other appropriate strategies directed at meeting the particular needs of the student. The action taken in response to the information you provide will help ensure the safety of this student, other students and staff.

To your knowledge, is there anything in the student's history or circumstances (including medical history not listed in Section H) which might pose a risk of any type to this student, other students, or staff at this school?

Yes  No

If yes, please provide a brief description of the student's medical or other history, which might pose a risk of any type to him or her, other students, or staff at this school.

**Please provide names and contact details of health professionals or other relevant bodies that have knowledge of these issues.**

**Does the student have any history of violent behaviour?** Yes No

If yes, please provide details.

**Has the student ever been suspended or expelled from any previous school?** Yes No

If yes, was this for:

Actual violence to any person? Yes No

Possession of a weapon or any item used to cause harm or injury? Yes No

Threats of violence or intimidation of staff, students, or others at the school? Yes No

Illegal drugs? Yes No

Are you aware of any other incidents of the kind listed above in which the student has been involved outside of the school setting? Yes No

If yes, please provide a brief outline of these incidents.

## Personal information, consent, and declaration of accuracy

The personal information collected on this application is for purposes directly related to your child's education including processing this application.

Any information provided to the AICS will be used, disclosed and stored consistent with the NSW privacy laws.

Certain information is required by the Department to meet its duty of care and other legal obligations under public health, education and child protection legislation and for meeting data collection and reporting requirements under Commonwealth – State funding agreements which may involve evaluation and assessment of student outcomes.

Information may be disclosed to NSW State and Commonwealth government agencies and other organisations for the above purposes and as authorised or required by law.

Information will be stored on a secure electronic database. You may access or correct the information by contacting your child's school. If you have a concern or complaint about the information collected or how it has been used or disclosed you should contact the school.

If you choose not to provide some requested information it may have a detrimental impact on your child's enrolment, resourcing of the school or meeting your child's educational needs.

Further information about the collection of information while your child is enrolled at a AICS, and how we protect your privacy, is available on the college's website.

### Publishing student information

The school may publish information about your child for the purposes of sharing his/her experiences with other students, informing the school and broader community about school and student activities and recording student participation in noteworthy projects or community service.

This information may include your child's name, age, class and information collected at school such as photographs, sound and visual recordings of your child, your child's work and expressions of opinion such as in interactive media.

The communications in which your child's information may be published include but are not limited to:

1. Public website of the school, the intranet, blogs and wikis
2. Publications including the school newsletter, annual school magazine and school report, promotional material published in print and electronically including on the intranet, social media and website.
3. School social media accounts on networks, which may include school's YouTube, Facebook and Twitter pages.

Parents should be aware that when information is published on public websites and social media channels it can be linked to by third parties and may be discoverable online for a number of years, if not permanently. Search engines may also cache or retain copies of published information

### Permission to publish

I have read the information about publishing student information (above) and

I give permission  I do not give permission

for the school to publish information about my child in publicly accessible communications. This permission remains effective until I advise otherwise.

### Online services

The College provides students with filtered access to the Internet. Students also have access to a secure learning portal. After logging into their portal, students have access to a personalised email account and online applications. These resources enable students to collaborate with peers, publish online, and securely store their data for access within, or outside of, school.

When accessing some online services, data, including your child's name and files they have saved, are stored within a third party service provider in a location outside of the School's network. The college is working closely with our vendors to assess privacy impacts and data security controls.

I give permission  I do not give permission

For my child to have access to online services provided by the school. This permission remains effective until I advise the school otherwise.

### Consent

I have provided information about the learning and support needs, including health condition(s) and/or special need(s) and/or history relevant to a risk assessment, related to the student listed in Section A of this application form.

I consent to the school seeking information from previous schools, other NSW government departments, public hospitals, health professionals or other organisations that may also hold information related to this assessment for the student named on page 1.

I consent to the health professional(s) treating any medical or health condition identified in this application, to provide the school with information about any condition that has been identified in this application. This may include any other aspects of the student's health that may impact on the condition or on the health and safety of this student or other students at school or on staff at the school
