

SEQTA Engage Installation Guide

This guide will show you how to set up your family's SEQTA Engage account and how to install the official Engage on your device.

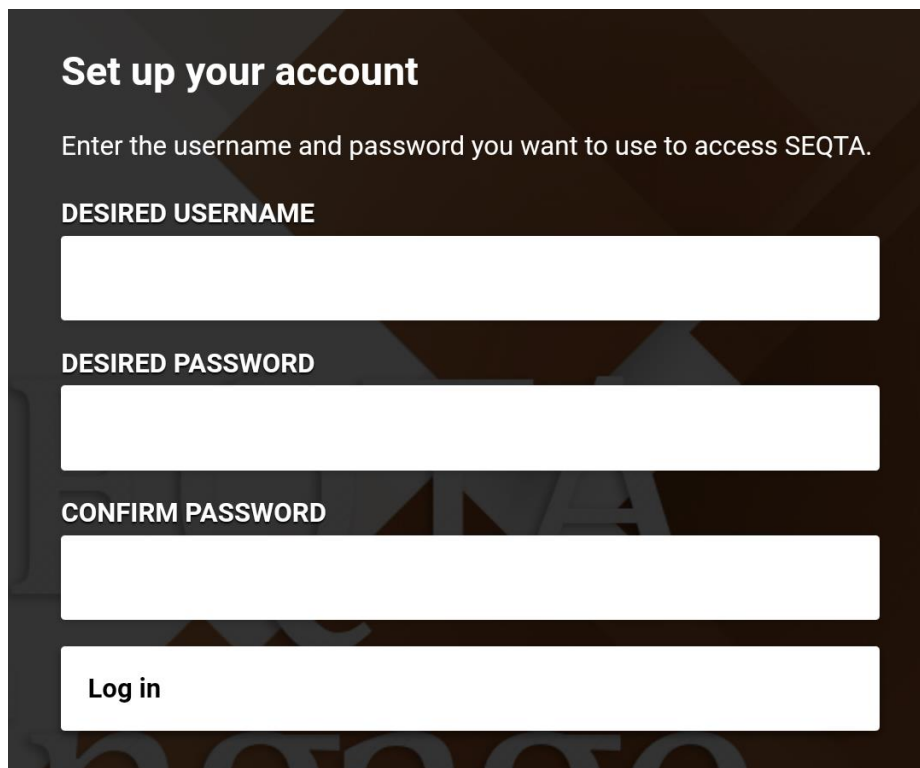

Please note that all screenshots are taken from an Android device using the Google Play Store, though the process will be similar for Apple devices using the Apple App Store.

1. Go into the inbox of the fee-paying parent and find the email titled "Welcome to SEQTA Engage!". In this email, click the link saying "Set up your account now".

Welcome to SEQTA Engage.

██████████ Australian Islamic College of Sydney has created a SEQTA Engage account for you.

Log in

With this step complete you can now log into SEQTA Engage through using any internet browser using the following link. Continue with Step 3 to install the app on your device (recommended).

engage.aics.nsw.edu.au

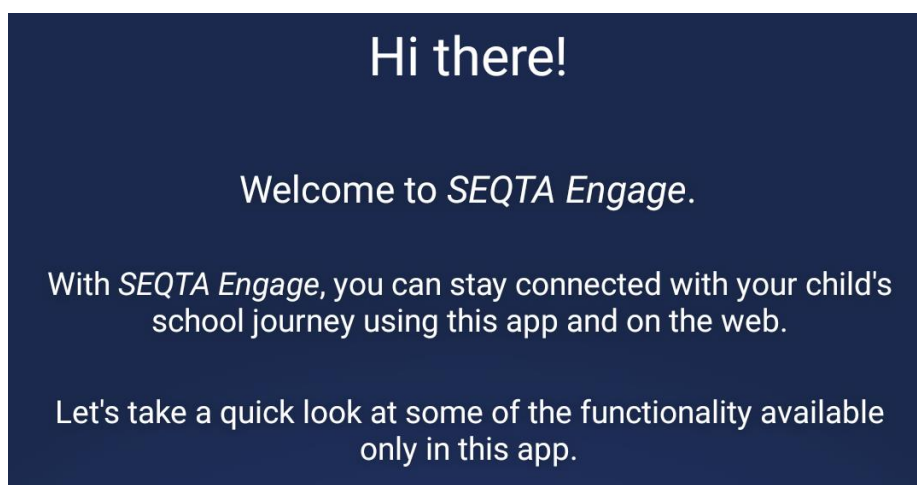

- Open the *Google Play Store* on your device and search “*seqta engage*” in the bar at the top, then press the **Install** button to download and install the app.

- After a brief wait the installation will finish, then press the **Open** button.

- Once opened, use the **NEXT** button to go through the pages showing what is available through the *SEQTA Engage* app.

6. After the pages you will be asked to add an account. You can do this by pressing one of the two options:

MANUAL SETUP

- a. Enter “engage.aics.nsw.edu.au” into the box and then press **CONTINUE**.

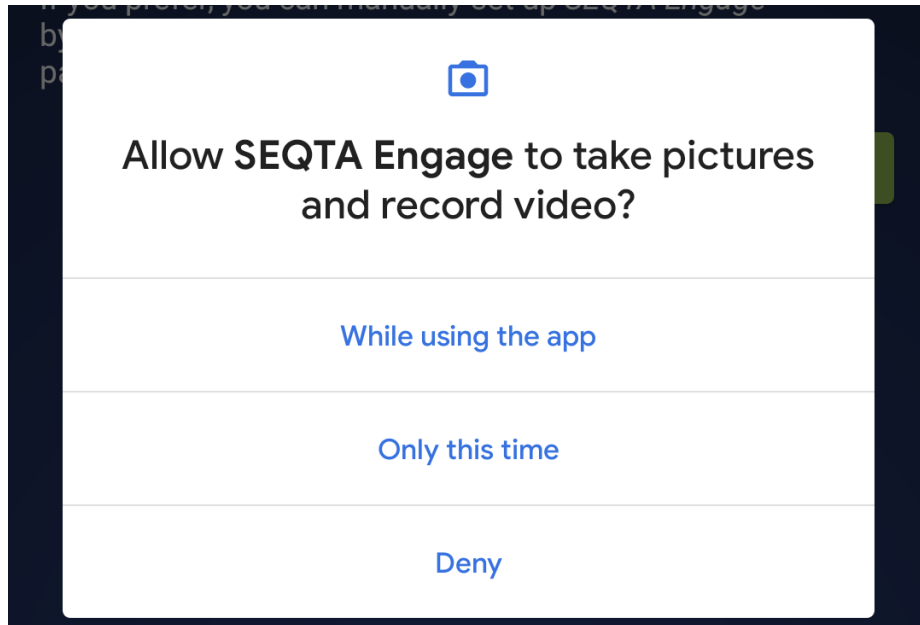

A dark blue screen titled 'Manual setup'. Below the title is the instruction: 'Please enter your school's SEQTA Engage URL. It will often begin with "parent." or "engage."' Below this is a text input field with a light green border, containing the text 'engage.aics.nsw.edu.au'. Above the input field is the label 'Web address'. Below the input field is a light green button labeled 'CONTINUE'.

- b. Enter the username and password you made in Step 2 and press **LOGIN**.

A dark blue screen titled 'Log in' with the subtitle 'AICS'. Below the title is the instruction: 'Please enter your username and password:'. Below this are two input fields. The first is labeled 'Username' and is empty. The second is labeled 'Password' and has a light blue eye icon to its right. Below the input fields is a light green button labeled 'LOG IN'.

I HAVE A CODE

- a. When you press the "I HAVE A CODE" button the app will ask for permission to access your camera. Grant it access either while using the app or only this time.

- b. Once access has been granted your camera will open. Point your camera at the QR code provided in the welcome email to complete the login.

Already got the app?

If you've got the app installed, scan this code (or tap the image on your device) to login straight away.
